

My 13 year old daughter and I listen to K-Love all the time. It is the only radio station in our area with positive, contemporary, commercial free christian music. It fills our hearts and minds with hope, love for God and helps us both want to be better people. We love to sing along. Other stations just don't bring us the same encouraging entertainment and message. Many of our friends also listen to k-love and the loss of this station would bring a big void in our community. Other stations do not bring us the same kind of music. My daughter only listens to K-love. It is in the public interest to keep this station, we even contribute to its operational financial needs so we and our community can have this great music available 24/7. With all the world unrest and problems we all have, how wonderful for that the public can turn to K-love and be encouraged and uplifted any time! Please do not take that away! Sincerely, Marilyn Hochstetler
